

The Perth Undergraduate Choral Society Inc. is a well-established Western Australian choir available for hire to sing at your conference, concert, wedding or special event. Our repertoire is extensive - from the classics to gospel to rock to modern Australian! PUCS can provide 20-30 singers to perform a cappella or accompanied.

PUCS has sung for the Royal Australian College of General Practitioners, Burswood Resort Casino, Carols by Candlelight, Perth City Missions Christmas in the Park, the Len Hall Memorial Anzac Day Game, the promotional event for Ben Elton's musical "We will Rock You" and at the Mandurah City Christmas event.

Our most recent performances include:

**'One Night Only'** - a concert of Choral Pop music, including current chat toppers from Coldplay and Gotye, Lennon and McCartney classics, Lullabye by Billy Joel, Paul Kelly and Neil Finn classics, Leonard Cohen's Hallelujah and the Queen rock opera Bohemian Rhapsody.

**'Misa Criolla and Songs from the Americas'** - a musical journey through the Americas featuring the stunning folk mass Misa Criolla, excerpts from the Andean folk mass Misa Andina, songs from Brazil and Argentina, plus superb choral music by contemporary American composers. The concert featured South American folk band Los Chasquis and tenor soloist Andrew Sutherland.

**'Christmas from Cambridge'**, combined sublime choral music and favourite carols with organist Dominic Perissinotto.

**'A Celebration of Choir and Brass'**, performed with The Royal Agricultural Society of WA Brass, to celebrate our 50th Anniversaries. The concert featured the Australian premiere of Young Lochinvar by Derek Bourgeois and the WA premiere of Waratah by Australian composer Matthew Orlovich.

**'Safari Ya Afrika'** (Swahili: Journey to Africa), a concert of inspiring songs from across the African continent, performed with African Music Circles.
